

Script

Desking & Table System

Rewriting the story of great furniture...

The Script desking and table system brings fresh new style and modular flexibility to your workspace.

Flexible

Script modules configure to do exactly the job you need. Interchangeable screens, modesty panels, cable trays and accessories... Simply tailor the system that suits.

Need more storage? No problem.

A range of Script pedestals, shelving units and other neatly crafted solutions make the most of your space – with panache!

Do it your way...

Script's clean lines, use of striking colours and selection of finishes add fun and functionality to your workspace, allowing you to make the statement you want.

Enjoy your space...

Whether you need a single desk or a complete office, Script provides the solution.

As your business changes, Script allows your workspace to flex and adapt too.

No fuss, no hassle - Script works with you.

Sliding door

Pushing the envelope...

Fun, funky and functional, Script's range of storage elements make the most of every available millimetre.

Space-saving units offer endless combinations to keep things organised below or above the worksurface.

Personal, shared and archival storage are all within easy reach.

Cupboard

2 & 3 Drawer pedestals

Over desk hutch

Little things mean a lot...

To add extra value and functionality without losing space or style, Script incorporates functional accessories that slot seamlessly into your Script workspace.

Adjustable cable tray with easy access

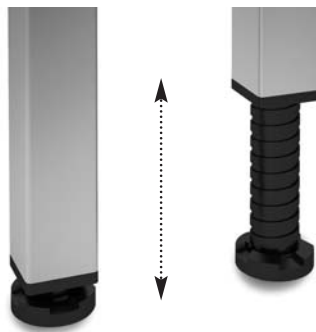

Overdesk storage

Modesty panel

Underdesk CPU holder

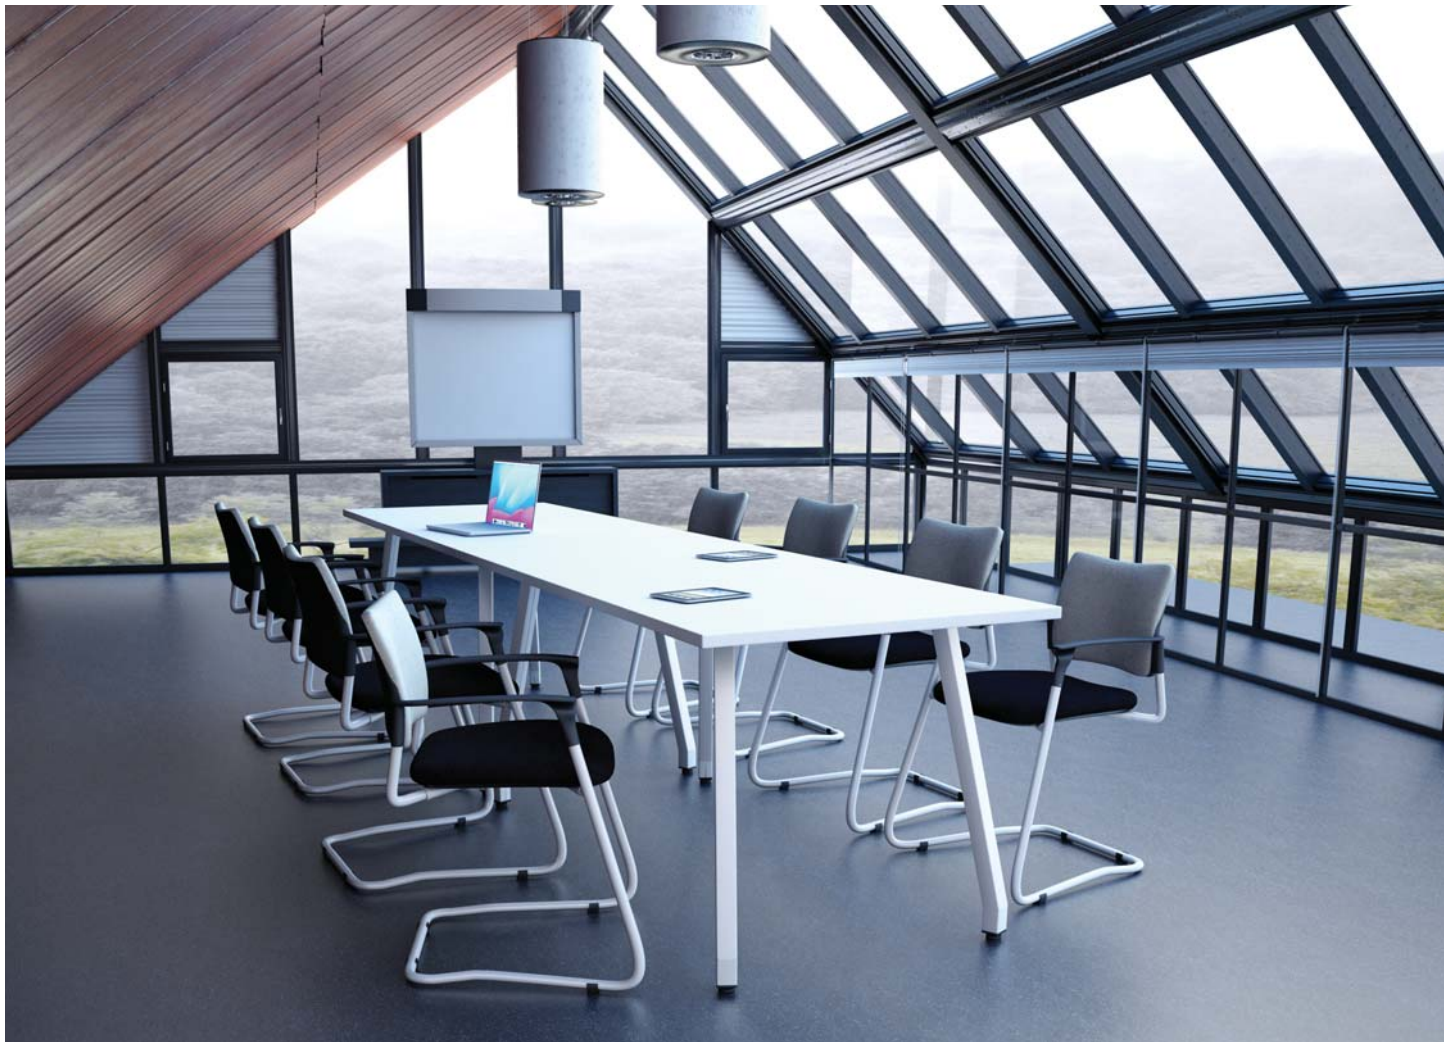

Height adjustable leg (120mm)

Monitor arm

Desktop accessories

Let's get together...

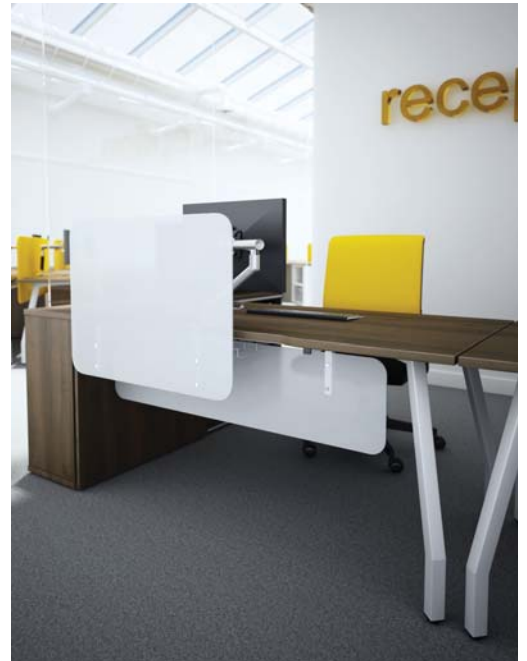

Whether meeting, relaxing or dining, Script is the answer.

Working with...

Education, Leisure, Home Working, Public Sector, Commercial Offices and Health Care Services.

The Script range is perfect for a wealth of workspace environments, from small offices to major multi-site estates. If you need a work environment that's infinitely adaptable, durable, beautifully crafted and stylish – yet refreshingly cost-effective, then we can help.

Sustainability matters...

Script embodies Gresham's commitment to true sustainability. Developed and manufactured in the UK, Script has been designed to be used, adapted and re-used providing longevity in the workplace.

At the end of its life, Script can then be recycled.
