PRODUCT DATA SPECIFICATION

# OSCAR

## PRODUCT DATA SPECIFICATION

Oscar task seating makes light work of long days at the office. Its sleek, modern styling cleverly hides innovative flexibility.

### STANDARD FEATURES & MATERIALS

- |               |             |
|---------------|-------------|
| ① Headrest    | ⑥ Arm       |
| ② Plaque      | ⑦ Hub       |
| ③ Cassette    | ⑧ Mechanism |
| ④ Lumbar Arch | ⑨ Base      |
| ⑤ Lumbar Pad  | ⑩ Castors   |

Headrests and Back Cassettes encapsulate Gabriel 'Runner' mesh which is produced from 100% Polyester.

The seat cushion is moulded in cold-cured CMHR (Combustion Modified High Resilience) flexible Polyurethane foam offering consistency, pelvic support & comfort.

Seat cushion upholstery is available in a wide range of patterns, colours & weaves. They are produced and supplied at a minimum 'Crib 5' flame retardancy level; suitable for contract use in public areas. Since individual fabrics can differ, we recommend that manufacturers' technical details are consulted for full fabric specifications.

### TYPICAL % COMPOSITION

### Self-Weighting Synchro Mechanism:

- ① Lift paddle handle for height adjustment.
- ② Twist end section for 5x back angle travel restriction settings.

## CONSIDERATIONS

Oscar has been developed to integrate true sustainable design concepts that consider all aspects of environmental impact each product has during its lifecycle.

- Reduction of material intensity whilst retaining strength & stability.
- Use of interchangeable, modular elements, allowing: Ease of assembly, ease of use, ease of replacing individual components rather than whole chairs.

## FEATURES

- Available in three frame colours, six standard mesh colours and accent 'Plaque' & 'Lumbar Pad' colours.
- Single lever, weight responsive synchronous mechanism with 5x angle restriction settings.
- Lumbar Pad support with 100mm height adjustment.
- Integral seat slide offering 65mm depth adjustment.
- Optional, active Headrest
- Optional 3D & 4D multi adjustable arms
- 65mm castors, offered in standard, soft-wheeled, brake unloaded and brake loaded options.
- Optional polished Aluminium base with chrome gas column.
